

For The Livestock Producer & Small Animal Farm **ALUM-LINE Has Your Transport Answer**

As They Say...
Good Things Come In Small Packages

ALUM-LINE

SHOWMASTER

Showmaster by Alum-Line is just the ticket for the person who needs to transport livestock but doesn't need a big rig to do it. All Showmasters are bumper pulls making it simple to hook up and move around most any livestock one can think of. Ideal for the small farmer, showman or hobby farmer that needs an efficient and first class unit.
